The executive committee decided o see what could be done toward getting the stores to close and to provide tags for each volunteer worker, that is, with the Good Roads Day movement. These tags will be supalled free to all who agree to work on the roads. They will serve to adertise the propaganda and will also dentify those who are willing to en-

The meeting last night heard from John Beaven, chairman of the county road board, that ample preparations would be made for the workers on Thursday. Pipe has been secured for needed culverts to drain the road or to carry irrigation ditches under it. A plowed line will mark its edges in sections where it is indefinite and will serve as a base from which grading can be commenced. Gravel beds and other places where there is material for the roads have all been located and arrangements made with the owners for securing the material free.

The committee in charge of districting the road has divided it into eigh-ARRAIGNED SEPT. 10 teen districts and named a foreman for each. Should any of these forenen be unable to serve there is an araple list of substitutes ready to step nto their shoes. In fact, a large proportion of the volunteers secured abroad, will arrive in Albuquerque in perintend the work of others.
